

PIELOR®

Renew your skin with the fascinating
effect of **Moringa**.

PIELOR®

Our Brand Story

*Inspired by the healing power of nature and guided by modern skincare science, Pielor represents a beauty philosophy rooted in naturalness. By bringing the purifying and nourishing properties of moringa leaf extract into skincare, we create safe, effective, and reliable products. With our slogan "**Look Natural, Love Yourself**," we invite everyone to embrace their natural beauty and care for their skin.*

Brand Positioning & Target Audience

Pielor is positioned as an accessible premium skincare brand, combining high-quality formulations with affordable prices.

- **Price / Quality:** *Dermatologically tested, inspired by nature-based formulas provide safe skincare at a fair and reachable price point.*
- **Target Audience:** *Consumers aged 18–45, women and men alike, who value natural ingredients, embrace a healthy lifestyle, and seek effective yet clean skincare solutions.*

PIELOR®

Our Strengths & Unique Differences

- ✓ *Nature-inspired formulas enriched with moringa leaf extract*
- ✓ *Dermatologically tested, skin-friendly ingredients*
- ✓ *A complete skincare routine: from cleansers and moisturizers to serums, eye creams, and facial mists*
- ✓ *Affordable pricing without compromising on quality*
- ✓ *Elegant, modern packaging design that reflects the purity of nature*

Unique Beauty Secret of Nature: Moringa

Extracted from seeds of the most nutrient-dense tree on the planet, Moringa Oil is a rich source of powerful antioxidants, vitamins, and minerals that meets all your skin needs. In today's times, when protecting the skin and healing it from the harmful effects of environmental pollution is a big concern, Moringa Oil is a nature's gift for your skin. It helps to nourishes and revitalizes your skin thanks to vitamins and minerals that it contains.

*Discover your
skin's beauty!*

PIELOR®

PIELOR®

PIELOR®

Pielor Around The World

PIELOR has strengthened its strong position in the industry over the years and has become a trusted brand in personal care in international markets. PIELOR, which stepped into international markets in 2010, is now exporting to over 20 countries, proving its quality worldwide.

Our upcoming goals:

- *Strengthening brand awareness in the European market*
- *Launching new products to broaden the moringa skincare line*
- *Becoming a leading brand in the skincare category*

The background of the entire image is a close-up, high-angle shot of water. The water's surface is covered in a complex pattern of ripples and waves, creating a shimmering, textured effect. The light reflects off the peaks of the ripples, while the troughs are slightly darker, giving the water a three-dimensional appearance. The overall color palette is a range of greens, from light, almost white, to deep, dark forest green.
